

Privacy Policy

The software respects and protects the personal privacy of all users of the service. In order to provide you with more accurate and personalized services, the software will use and disclose your personal information in accordance with the provisions of this Privacy policy. However, the software will treat such information with a high degree of diligence and prudence.

Except as otherwise provided in this Privacy Policy, the Software will not disclose such information or provide it to third parties without your prior permission. The software will update this Privacy policy from time to time.

When you agree to this Software Service Usage Agreement, it is deemed that you have agreed to all contents of this Privacy policy. This Privacy Policy is an integral part of the Software Service Usage Agreement.

How do we collect information about you?

In providing our services, we may collect, store and use the following information:

1.1 Information you provide

(1) The relevant personal information you provide to us when registering an account or using our services, such as your electronic telephone number and other information. If you want to take full advantage of the various sharing features we offer, you may also need to create a publicly displayed profile, which may include your name and photo.

(2) The shared information you provide to others through our Services, and the information you upload, submit, store, send or receive when you use our Services.

1.2 Information we obtain when you use the Service

We collect information about the services you use and how you use them, including:

(1) Device information: We will collect device-specific information, such as your hardware model, operating system information, mobile device version, device identifier, screen resolution and other information.

(2) Log information

A. Device or software information, such as configuration information provided by your mobile device, web browser or other program used to access our services, your IP address and the version and device identifier used by your mobile device;

B. Information searched or viewed when using our Services, such as the web search terms you use, the urls of the social media pages you visit, and other information and content details that you view or request when using our Services;

(3) IP address

A. Information about mobile apps and other software that you have used, and information about your past use of such mobile apps and software;

B. Information (metadata) contained in the content you share through our Services, such as the date, time or location of a shared photo or video taken or uploaded.

How do we use your information

We may use the information we collect above for the following purposes:

(1) To provide services to you;

(2) for identity verification, customer service, security, archiving and backup purposes when we provide services to ensure the security of the products and services we provide to you;

(3) to help us design new services and improve our existing services;

(4) to enable us to better understand how you access and use our services, so as to respond to your individual needs, such as language Settings, location Settings, personalized help services and instructions, or to respond to you and other users in other aspects;

(5) to provide you with advertisements that are more relevant to you as an alternative to commonly available advertisements;

(6) Perform software verification and upgrade services;

(7) When providing specific services at the special request of users, it is necessary to provide information to our affiliates, third parties or other users;

(8) Other situations that are conducive to the interests of users and App operators and do not violate any mandatory laws and regulations.

(9) To allow you to participate in surveys about our products and services

We promise

(1) We will not show you personalized ads based on sensitive categories, such as race, religion, sexual orientation, or health status;

(2) We will not share with advertisers information that can be used to personally identify you, such as your name (unless you have authorized consent);

(3) We will not sell your personal information to any third party at any time and under any circumstances, and we will only use the information obtained under this Agreement to the extent permitted by law. We have a strict policy to protect your personal information and will not disclose your personal information to the public or provide it to third parties unless we have obtained your prior authorization or otherwise provided in this statement.

We will not transfer or disclose your personal information to any unaffiliated third party unless:

(1) Mandatory requirements of relevant laws and regulations, legal procedures and government agencies;

(2) for the purpose of completing a merger, division, acquisition or transfer of assets;

(3) Obtain your authorization in advance;

(4) You use the sharing function;

(5) for the purpose of academic research or public interest;

(6) To improve user experience and provide personalized promotion services within the scope permitted by laws, regulations and policies;

(7) Other circumstances that we deem necessary and do not violate the mandatory provisions of the law.

5. Unless we have your consent, we will not provide your sensitive personal information to anyone.

6. Information storage and exchange

The information and data collected about you by the Software will be saved on the servers of the Software and (or) its affiliates, and such information and data may be

sent to the country or region where you are located or outside the country where the information and data collected by the Software is located and will be accessed, stored and displayed outside the country.

7. How do we protect your personal information

We have developed a strict information management policy, equipped with a professional technical team, and taken a series of reasonable precautions to protect your personal information from unauthorized access, disclosure, abuse, alteration, destruction and loss.

8. Information you share

When you use this type of service, the information you upload or publish, your response to the information uploaded or published by others, and log information related to these information, etc., as long as you do not delete these information, they will remain in the public domain, and will be shared and viewed by other users using our services.

Even if you delete such information, it may still be cached, copied or stored independently by other users or unaffiliated third parties not under our control, or stored in the public domain by other users or third parties.

Please consider carefully what information you upload, post and communicate through our services.

9. Updates to this policy

We may revise and update this Privacy Policy from time to time, and we will release the updates of this privacy policy in the form of notices or announcements on the website or App.

10. If you have any questions about this Privacy Policy or related matters, please contact us at ZengChengApp@163.com.
